RELATIONSHIP POWER IN HEALTH CARE: SCIENCE OF BEHAVIOR CHANGE, DECISION MAKING, AND CLINICIAN SELF-CARE (MIXED MEDIA PRODUCT)

Apple Academic Press Inc., Canada, 2016. Mixed media product. Condition: New. Language: English. Brand new Book. The personal interface between clinician and patient is a misunderstood subject which can impact all areas of health care. Without adequate training in relationship science clinicians inadvertently contribute to empathic failure, poor medical decision process, difficulty changing health-related behavior, costly variation and derailment of care, extra litigation, and clinician burnout. Relationship Power in Health Care presents new knowledge and skills that empower health care and...

Reviews

This book is really gripping and interesting. Better then never, though i am quite late in start reading this one. Its been developed in an exceedingly easy way which is only right after i finished reading this ebook where basically modified me, alter the way i really believe.

-- **Cleveland Dibbert**

Very beneficial to all group of people. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any time of the time (that's what catalogs are for relating to in the event you request me).
